

Funding Guide

Sport England Return to Play: Active Together

The Aim

To help sports clubs and other organisations to set up and run their own crowdfunding campaigns to improve sustainability. The focus aims to cushion the impact of the coronavirus pandemic and encourage return to play in the long term.

Who can apply

Town or parish councils, community sport and physical activity organisations which are experiencing short term financial hardship or threat to operations.

What it covers

The implementation of changes to ensure government guidelines are being adhered to; additional coaching; facility hire; purchase of PPE; essential maintenance; and funding to ensure facility survival and safety of members.

Suez Communities Trust

The Aim

to support community and environmental improvement projects through the Landfill Communities Fund and Scottish Landfill Communities Fund. Programmes are designed to improve a broad range of publicly accessible amenities which benefit a wide cross section of the community.

Who can apply

Not-for-profit organisations such as community groups, parish councils, charities, community interest companies, sports clubs, community associations, local authorities and voluntary organisations.

What it covers

Projects to provide, maintain or improve an amenity that is used primarily for leisure and recreation. The amenity must be open to all sections of the community for at least 104 days a year.

<http://www.suezcommunitiestrust.org.uk>

National Lottery Awards for All

The Aim

To support people and communities more adversely impacted by Covid-19. Support is available to continue to deliver activity or change and adapt an activity to respond to new challenges.

Who can apply

A voluntary and community organisation; constituted group or club; registered charity; charitable incorporated organisation (CIO); not-for-profit company; community interest company (CIC); school (as long as your project benefits and involves the communities around the school); statutory body (including local authorities, town, parish and community council); community benefit society.

What it covers

Equipment; running costs; small land or refurbishment projects; one-off events; staff costs; training costs; transport; utilities; volunteer expenses.

UK Community Foundations

The Aim

Community foundations administer different grant schemes from various funders. Each foundation looks after the schemes directly related to their geographical area. Funds are set up by a range of individuals, businesses, philanthropists and national and regional trusts. They work to bring together people and organisations that want to improve their communities.

Who can apply

Community groups, individuals, voluntary organisations.

What it covers

support for some of society's most disadvantaged people. All revenue streams are different but focus on issues such as enhancing leisure and social activities through funding the likes of equipment costs and building improvements.

<https://www.ukcommunityfoundations.org/our-network>

The Institution of Engineering and Technology

The Aim

To widen the opportunity to participate in IE programmes for disadvantaged pupils; to support educational projects that nurture engineering knowledge; to provide grants for projects linked to the teaching and promotion of physics and engineering in schools and colleges.

Who can apply

Organisations and individuals delivering UK-based educational activities including schools, youth groups and STEM organisations

What it covers

Materials and resources; direct costs; outreach projects and opportunities; public engagement resources.

Biffa Award: Recreation

Building communities. Transforming lives.

The Aim

To benefit communities living near landfill sites.

Who can apply

Not-for-profit organisations within five miles of a Biffa operation. The site must be owned or leased by the applicant.

What it covers

Projects can include new play equipment; landscaping works; skate parks; woodland walks; nature trails; outdoor gyms; and building works within communal areas of sporting clubhouses which have a wider community use and are not for the sole use of sports club members. It generally includes projects that benefit people within their free time.

<https://www.biffa-award.org/>

FCC Community Action Fund: England

The Aim

To provide grants of between £2,000 and £100,000 to not-for-profit organisations to carry out amenity projects.

Who can apply

Registered charities which operate community facilities; a church or parochial church council; parish or town council; a local authority; a registered sports club. Projects must be within 10 miles of an eligible FCC Environment waste facility.

What it covers

The provision, maintenance or improvement of village halls and community centres; public play areas; MUGAs, skate and BMX tracks; sport and recreation grounds with public access; churches; nature reserves; public gardens and parks; museums.

<https://fcccommunitiesfoundation.org.uk/funds/fcc-community-action-fund>

FCC Scottish Action Fund

The Aim

To provide grants of between £2,000 and £40,000 to not-for-profit organisations to carry out projects that meet the aims of the Scottish Landfill Communities Fund.

Who can apply

Registered charities which operate community facilities; a church or parochial church council; parish or town council; a local authority; a registered sports club. Projects must be within 10 miles of an eligible FCC Environment waste facility.

What it covers

To provide, maintain or improve a public park or other public amenity. To carry out community-based recycling, reuse and waste prevention projects. The reclamation or restoration of land for economic, social or environmental use. The maintenance, repair or restoration of historic buildings.

<https://fcccommunitiesfoundation.org.uk/funds/fcc-scottish-action-fund>

Entrust

The Aim

To distribute the Landfill Communities Fund via various funding organisations.

Who can apply

Each funding organisation is different. Not all funders, fund all of the types of eligible projects and they may have their own requirements, for example, being within a specific distance of one of their landfill sites.

What it covers

The reclamation, remediation or restoration of land which cannot currently be used; the prevention of potential for pollution or the remediation of the effects of the pollution; the provision, maintenance or improvement of a public park or another public amenity; the conservation or promotion of biodiversity; and the restoration of a place of religious worship or of historic or architectural interest.

Asda Foundation

The Aim

To transform communities and improve lives throughout the UK.

Who can apply

Asda Foundation is looking to support grass roots community groups which support, help, and encourage inclusiveness for all. All applications must be made through an Asda Community Champion.

What it covers

Projects from not-for-profit groups which aim to bring people back together now social distancing has been eased. Groups must have a presence in a UK community that it works to benefit. Projects must ensure everyone has an equal opportunity to get involved.

<http://www.asdafoundation.org/>

Veolia Environmental Trust: Community Grant

The Aim

To fund improvements to community buildings and outside spaces for everyone and anyone to use.

Who can apply

Landowners, or those with a formal agreement with the landowner with at least six years of the term remaining.

What it covers

Structural improvement works to a single building or outdoor space with public access such as a park, play area, MUGA, sports ground, community garden, nature reserve or community centre.

<https://www.veolitrust.org/funding/>

Viridor Credits

The Aim

To provide funding for community, heritage and biodiversity projects around the UK.

Who can apply

An organisation or group which is properly constituted and is not-for-profit can apply.

What it covers

Projects for the protection of the environment, such as the provision, maintenance or improvement of public amenities and parks, which are open and accessible to the public; the enhancement, protection and/or promotion of biological diversity of a species or habitat; the maintenance, repair or restoration of a building of historic or architectural interest, that is open and accessible to the public.

<https://www.viridor-credits.co.uk/apply-funding>

The Hargreaves Foundation

The Aim

To support those under the age of 18 and living with a mental health problem, physical disability or growing up in poverty through the mediums of sport and education.

Who can apply

Registered charities, schools and further education colleges and NHS Trusts.

What it covers

Projects which: enable individuals to experience the mental and physical benefits of sports; ensure participatory sport is accessible; provide sporting or educational activities that foster life skills; aim to improve academic engagement and attainment; encourage the development of skills and personal attributes to aid future employability.

<https://www.thehargreavesfoundation.org/apply/>

EvolveAdvice Get Out! Grant

The Aim

To enable more organisations to get pupils learning outdoors.

Who can apply

UK primary schools; secondary schools; charities; CICs; micro-businesses.

What it covers

The Get Out! Grant is awarded every month and can be used for the purchase of equipment; specialist training; travel and resources. Applicants will have to demonstrate the impact of the grant.

<https://www.evolveadvice.co.uk/grants>

Morrison's Foundation

The Aim

To support charities making a positive difference in local communities.

Who can apply

Charities registered with the Charity Commission or Office of the Scottish Charity Regulator..

What it covers

Grants up to £25,000 are available to fully fund projects which support people living in communities in England, Scotland and Wales. This includes capital and equipment costs. Previous projects have included gardening activities for people with mental health problems and cycling projects for young people.
